Tech Team--

Here are my "fatal flaws" to the current version of the gaps memo. My fatal flaws (and there are quite a few) call out:

1. Inconsistencies with the decision doc
2. Inaccurate descriptions of the CZARA statute and/or conditions placed on Oregon's program

## Ex. 5 - Deliberative

I shared with Kim Kratz to get NMFS perspective as well.

Looking forward to discussing on Tuesday.

Allison

As promised, here are two versions of the latest Draft Internal "Forestry Gaps" documents. One is a clean version with all the revision incorporated and the other is with redline/strikeout and oodles of very long comments, including from me based on input some of you provided. I did make one change today which was to add "Internal Document" and today's date to the header.

So, end of the day Tuesday, 2/10/2015 is the requested deadline for your input. Thanks.
